Re: Incorporate Olympic Valley

Honorable Commission and Ms. Berry,

I am a homeowner in Squaw Valley, in Creekside Estates. I also own four pieces of land in the subdivision and a condo at the Resort.

For what it's worth, I am OPPOSED to incorporating Olympic Valley. I think this move is provocative in nature – meant to nothing else but stop development and growth, and to hurt KSL. The IOV people don't appear to have thought this thing through.

I am also the President of the HOA at Creekside Estates and plan on bringing up IOV at our 6/25 HOA meeting to let my fellow homeowners know how I feel.

Respectfully,

Richard Goldman
